

Save the Date 9th June 2020

Innovative technologies to support care-giving relatives of dementia patients

Final conference of the Interreg project Demantec 2.0

Dear all,

our event is aimed to all persons who have a professional or personal connection to dementia or innovative technologies. Let yourself be inspired by several short presentations with interdisciplinary speakers comfortably in front of the screen. Take the current situation as an opportunity to expand your network in a different way and learn more about the results of the Interreg project Demantec.

**The conference takes place on Tuesday,
9th of June 2020 from 9-11 a.m. (UTC+2) via WebEx.
The participation is free of charge.**

If you are interested in participating, please use the following link to register for the online conference.

We are looking forward to you to join us!
