

## Study Abroad Booklet

The 2026 SIT Study Abroad Booklet is now out. The booklet outlines the various courses on offer and which semester(s) they are available. The booklet also includes a selection form to assist students when choosing their courses. SIT makes all endeavours to meet the student selections; however, at times (for example when there is a timetable clash) some changes may be necessary. That is why we request a student to identify 5 or 6 courses they are interested in, even though they can only take a maximum of 4 courses during the semester.

## More Information

If you would like more information about Study Abroad with SIT please do not hesitate to contact our Study Abroad specialist:

## Germany to New Zealand

# 6 MONTH SEMESTER ABROAD IN NEW ZEALAND

## Southern Institute of Technology

The Southern Institute of Technology (SIT) offers a warm welcome to students from our partner institutions in Germany. SIT's home in Invercargill is New Zealand's southernmost city and a hidden gem waiting to be explored. With its grand Victorian architecture, famously wide streets, and friendly local spirit, Invercargill offers a unique blend of heritage and hospitality.

SIT's accommodation and campus is situated within walking distance of the beautifully landscaped Queens Park, world class sporting venues and facilities, and Invercargill's vibrant central city area.

**Study Abroad students can combine studies with adventure, relaxation, and taste of authentic southern culture, New Zealand style.**

**World-class education in  
a safe, friendly & vibrant  
community**

## Wild Beauty Beyond the Beaten Path

Tucked away in New Zealand's deep south, Southland is a region of extraordinary natural beauty—where lush rolling farmland meets rugged coastlines, ancient forests, and pristine wilderness. Over 50% of the region is in National Parks, with both New Zealand's largest National Park, Fiordland National Park, and New Zealand's newest National Park, Rakiura National Park, located in the Southland Region.

If it is adventure students are after, they can easily get from SIT to neighbouring Queenstown, the self-proclaimed adventure capital of the world. Whether it's jet boating, bungee jumping, zooming in a luge, or parasailing over the majestic landscape – Queenstown is the perfect place to get that adrenaline rush.

# AT SIT STUDY ABROAD

SIT has over 100 courses on offer for semester Study Abroad, in areas as diverse as screen arts to business to exercise physiology to hospitality to information technology. We work closely with our partner institutions in Germany to ensure the study completed with us can be credited back to our partner university study where applicable.
