

DEAR STUDENT,

I am delighted that you have decided to start a course of study in Flensburg in the winter semester 2017/2018 and I would like to welcome you to the City of Flensburg! Around 9,200 of the 94,000 inhabitants are students, making Flensburg an increasingly popular university city. Maritime flair, a historic city-centre and an open-minded society contribute to Flensburg's popularity as a place to work and live.

There is a welcome pack for all students who move to Flensburg. It offers many vouchers for cultural and leisure time facilities in the city. In my opinion it's really worth it, just come and see.

How can you get the welcome pack? Simply visit the Bürgerbüro in the cityhall and register your address in Flensburg as your main residence (it is your legal obligation in Germany anyway).

We will let you know as soon as the welcome pack is ready.

My team in the Bürgerbüro would be happy to assist you in any way we can. Just ask for the welcome pack!

I hope that you feel at home in our lively city very soon.

Kind regards,

Simone Lange
Oberbürgermeisterin
