

IT-Services & details

for your studies

Find information and help online &
on the back of this flyer. →

Login data

Your login data is always comprised of your password and a username, which is made up of 4 letters and 4 numbers, for example: **abcd1234**.

Exception: for eduroam your username is: **abcd1234@stud.hs-flensburg.de**

Organising your studies

Campus management system – Keep your personal information up to date, change your password, access confirmations etc.: <https://cm.hs-flensburg.de>

Exams – register, access grades: <https://pm.hs-flensburg.de/>

Learning and course management platforms – register for classes, access course material

Stud.IP: <https://elearning.hs-flensburg.de/>

Moodle: <https://moodle.hs-flensburg.de/>

Intranet – Class schedules, room availabilities: <https://hs-flensburg.de/studintern>

IT-services

WiFi – The Wi-Fi network eduroam offers the possibility to use Wi-Fi in universities and universities of applied sciences worldwide. Download the installation tool here:

<https://cat.eduroam.org>

Choose "Hochschule Flensburg" as your home organization. Download and install the tool.

Login with **abcd1234@stud.hs-flensburg.de**

Head here for more details: <https://hs-flensburg.de/studium/service/IT-services/wlan>

VPN – gives you access to the university network from outside campus (network drives, Statista, library, journals, etc.) Head here for information on how to install it:

<https://hs-flensburg.de/studium/service/IT-services/vpn>

Email – Your email address is: **firstname.lastname@stud.hs-flensburg.de**

You can access your emails here: <https://mail.stud.hs-flensburg.de>

Alternatively, you can also forward your emails to your personal email address or connect them to another program such as Outlook:

<https://hs-flensburg.de/studium/service/IT-services/e-mail>

Software

The university provides free licenses for many services such as Office 365, Adobe Creative Cloud, anti-virus programmes etc. For more information go to:

<https://hs-flensburg.de/studium/service/IT-services>

Workshops and seminars

Learn how to use Excel, Word, learning and course management platforms and more:

<https://hs-flensburg.de/hochschule/einrichtung/lern-und-sprachenzentrum-lsz>

(Classes are usually taught in German.)
