

## Translating Literary Texts

---

### ***Allgemeine Informationen***

Modultyp: Nichttechnisches Wahlpflichtfach

Lehrform: Vorlesung/Übung

Sprache: Englisch

Modulbeschreibung: We will be translating literary texts from German to English. All discussions will take place in English. This course is primarily aimed at all IFK students from 2nd semester and above. But the course is also open to students from other courses of studies as a "Nicht-Technische Wahlpflichtmodul (WPM)".

As the texts we will be working with are very demanding, the maximum number of students permitted is 12 students per group. If more students than that want to take this course, then IFK (*Internationale Fachkommunikation*) students will take precedence, but non-IFK students are otherwise very welcome.

Questions about this course can be addressed to Prof. von Schilling at the email address below. Please only use English when writing to me. Thank you.
